Endorsed By (list in formation): Beyond Ground Zero Network (Asian American Legal Defense & Education Fund, Chinese Staff & Workers Assn., Commission on the Public's Health System, National Mobilization Against Sweatshops, Urban Justice Center) • 9/11 Environmental Action • South Bridge Parent & Youth Assn. • WTC Residents Coalition • IPN Tenants Assn. • Concerned Stuyvesant Community • StuyHealth • Public Employees Federation Division 199 • Organization of Staff Analysts • WTC Community-Labor Coalition • Community Board #1, Manhattan

- **Learn about WTC illnesses and available treatment at the WTC Environmental Health Center (Bellevue, Gouverneur, and Elmhurst Hospitals).**
- **Call on our government officials for full recognition of the WTC health fallout and federally-funded, comprehensive 9/11 health care that responds to ALL our needs.**
- **Speak out about our evolving health problems and needs directly to elected officials.**
